

CSHCN

A program for Children with Special Health Care Needs

Help is available for Parents

Who qualifies and what does it cost?

This a **FREE** service for families with a child under 18 years of age with or at-risk of a chronic medical condition or special health care need.

What is Offered?

- Home visiting by a Public Health Nurse to provide family support.
- Care Coordination between all of your child's medical providers.
- Health Education to better understand your child's development, feeding, nutrition, growth and behavior.
- Resource Referral to development services, insurance programs or parent support organizations.
