**Board Discussion**

The Chair reported that Steve Jenkins was called out of town today for a family medical emergency. He had intended to request a letter of support from the board regarding Senator Parlette’s current efforts to increase planned burning activities designed to reduce the risk of devastating wildfires. The administrator commented that there are health concerns about community exposure to smoke, but that smoke from planned burns is much less of a problem than the massive smoke exposures we have had in recent years from wildfires. **Keith Goehner, Chelan County Commissioner,** made a motion to have the Administrator draft a letter of support of the burning plan and have it signed by Ken Stanton, Chair. **John Sterk,** East Wenatchee City Council, seconded the motion and it carried unanimously.

**Public Comment**

Mike Sherer, who helped start the Farmer’s Market in Chelan, asked the Board to consider removing the $20.00 fee charged for each additional location at which a temp food vendor wishes to serve during a season. These fees usually apply to farmer’s markets vendors. He also proposed that our LHJ honor permits from other LHJs, especially Okanogan County, for farmer’s market vendors. The Administrator and food program staff will look at this and report back to the Board with their recommendation.

**New Business**

The Administrator requested that two or three of the Board members volunteer to serve as representatives on the management negotiating team along with the management staff for the upcoming union negotiations. **Keith Goehner,** Chelan County Commissioner, **John Alt,** Entiat City Council, and **Jill Thompson,** Waterville City Council volunteered to be part of the negotiating team. Two or three CDHD managers will also serve on the team.

**Unfinished Business**

The Administrator presented the revisions to the 2016 Budget. This budget includes updated revenue projections and other changes that have occurred since the original 2016 budget was passed in December, 2015, and also includes the addition of an Environmental Health Specialist II position. **John**
Sterk, East Wenatchee City Council, made a motion to approve the revisions. Keith Huffaker, Wenatchee City Council, seconded the motion and it carried unanimously.

Reports

Carol also handed out a flyer/invitation to a Complete Streets training where Carol will speak about health advantages of Complete Streets.

Mary Small, Associate Administrator, Community Health and Preparedness, gave her final report. She is in her 30th year working for the Health District and is retiring February 29th, 2016. The Board expressed their appreciation to Mary for her services and wished her well. She introduced Alma Castillo, who served as her program assistant and facilities coordinator and has been trained to take over Mary’s duties in emergency preparedness. Christal Eshelman, current clerk-typist III, who has a master’s degree in public health, will be taking over the PIO (public information officer) duties for Mary.

Mary Small also distributed the first draft of the 2015 Annual Report to the Board. She asked the Board members to review the report and direct any revisions to the Administrator.
